TACTICA SOLUTIONS

STRATEGIC VISION.
TACTICALLY EXECUTED.

CAPABILITIES BRIEF

Tactica SOLUTIONS

OUR CAPABILITIES

ABOUT US

Tactica Solutions is an SBA-certified 8(a) Small Disadvantaged Business and Native Hawaiian Organization-owned company delivering cleared intelligence, ISR, and SETA support enabling DoD decision advantage across worldwide expeditionary and garrison operations. Our teams help sustain global operations, preserve mission continuity, and reduce operational risk across domestic, expeditionary, and mission-critical operating environments.

WHY CHOOSE TACTICA

DRIVING MISSION CONTINUITY, COMPLIANCE, AND PERFORMANCE

DISCIPLINED, AUDITABLE EXECUTION

ISO-certified processes, CMMC Level 2 validation, and a DCAA-approved accounting system deliver transparent, compliant, and repeatable program execution

FINANCIAL CONTINUITY

$14M commercial line of credit through Bank of America supports uninterrupted service delivery

PROVEN PERFORMANCE

Exceptional CPARS ratings across engineering, intelligence, geospatial, and security programs

DAY-ONE MISSION READINESS

Production-ready GCC High environment enables secure CUI collaboration with zero startup delay

CLEARED WORKFORCE ADVANTAGE

TS/SCI-majority team purpose-built for mission environments

CONTRACT VEHICLES

CMMC CERTIFIED

STRATEGIC VISION. TACTICALLY EXECUTED.

CAPABILITIES BRIEF

INTELLIGENCE SERVICES

Tactica Solutions delivers cleared intelligence, ISR, and SETA support enabling DoD decision advantage across worldwide expeditionary and garrison operations.

OUR SERVICES

INTELLIGENCE & ISR SERVICES

- SIGINT, HUMINT, CI, GEOINT, and all-source analysis
- Aerial ISR mission planning, collection management, collection, and PED to include SIGINT Serialized reporting and GEOINT derived products
- Support to targeting, collection management, and operational intelligence products
- SETA support for AISR sensors, testing, fielding, and sustainment
- HUMINT/CI integration for cyber and information warfare operations
- Exercise support, training, CONOPs, TTPs, and mission readiness

AERIAL ISR STAFF OPERATIONS

- Army Intelligence staff augmentation across S1 personnel, S2 security, S3 operations, and S4 logistics functions supporting aerial ISR mission execution
- S1 – Human resources, personnel actions, and executive administrative mission support
- S2 – Special Security Office, COMSEC, and mission-security support
- S3 – Training, CUOPS, FUOPS, and intelligence discipline subject matter expertise across ICD, SIGINT, and GEOINT
- S4 – Logistics coordination, property book accountability, supply chain management for mission sustainment

FORCE MANAGEMENT

- Manpower studies and assessments (AR 570-4)
- TDA/MTOE design, documentation, and equipment reviews
- Stationing studies and force structure change management
- Program and task management via ETMS2, OPORDs, and FRAGOs
- Conduct workload analysis, organizational structure assessments, and mission/task validation in support of manpower studies (AR 570-4)
- Support the development of TDA/MTOE documentation, CMPs, CPLAN submissions, and FDU initiatives

OUR CUSTOMERS

PERFORMANCE HIGHLIGHTS

Exemplary Competence

116th MI BDE's PED BN leadership recognized Tactica Solutions intelligence analysts for their talent, subject matter expertise, and dedication to the PED BN mission for positively impacting the PED BN's and the 116th MI BDE's global AISR mission. PED BN also credited Tactica intelligence analysts' support with enabling the PED BN to lead in readiness metrics and to achieve several commendable ratings during the initial command inspection.

ARST SIGINT Mission Lead praised Tactica intelligence professionals for technical excellence, customer relations, and initiative, including authoring a Multi-Domain Analysis Team (MDAT) tools guide being incorporated into SOPs and developing an all-source/imagery work product with potential to reduce production timelines from three weeks to one.

PAST PERFORMANCE

INTELLIGENCE SERVICES

CUSTOMER	JOB	OUR ROLE	OUR RESULTS
116th MIB	AISR SETA Support	▸ 24/7 aerial ISR mission planning support ▸ Mission execution and analysis support ▸ Operator training and certification ▸ Readiness and operational support	✓ Zero mission gaps across 24/7 ISR operations ✓ Improved SIGINT/OPELINT qualification rates
116th MIB PED BN	ARST Support Services & Training	▸ SIGINT subject matter expertise ▸ All-source analysis support ▸ Mission planning and execution ▸ Target analysis support	✓ 24/7 ISR planning, collection, and dissemination supported ✓ 100% of mission taskings delivered on schedule ✓ MDAT tools guide creation and implementation
PD SAI / CPE ISW	PD SAI SETA – Logistics & Security	▸ Logistics and sustainment support for AISR sensor systems ▸ Configuration management and property management ▸ New Equipment Training (NET), fielding, and mobile training teams ▸ Supply chain oversight and shipment coordination	✓ AISR sensor systems fielded across multiple theaters ✓ 34 FVUA shipments enabled for 4 PMs globally
16th Air Force / Air Forces Cyber	HUMINT & CI Integration Support	▸ HUMINT and CI SME support ▸ Planning, targeting, and analysis support ▸ Collection management support ▸ Training, exercise design, and briefings	✓ 100+ HUMINT plans, assessments, and reports delivered annually ✓ Enterprise exercises supported with CI/HUMINT integration
INSCOM G3 FM	Force Mgmt. Services	▸ Manpower studies and assessments (AR 570-4) ▸ TDA/MTOE design, documentation, and equipment reviews ▸ Stationing studies and force structure change management ▸ Program/task management via ETMS2, OPORDs, and FRAGOs	✓ Full-spectrum force management; manpower studies and TDA/MTOE design ✓ Force structure modernization across 180+ locations worldwide

Past Performance represents a sampling of relevant contracts.

CAPABILITIES BRIEF

SECURITY & ADMINISTRATIVE SUPPORT

Tactica Solutions delivers multi-disciplinary security operations and administrative support protecting classified environments, strengthening operational readiness, and ensuring compliance across DoD SCIFs and secure facilities.

OUR SERVICES

SECURITY SUPPORT SERVICES

- SCIF and secure facility operations (24/7 support across multiple SCIFs)
- Access control, badging, visitor processing, and escort support
- SCI indoctrinations, debriefings, and annual security training
- Clearance tracking, DISS/Scattered Castles support, and SCAR management
- Incident reporting, alarm response, and compliance documentation
- Physical, personnel, information, and industrial security support
- NSA MEAD processing and polygraph coordination
- Train-the-trainer instruction for access control personnel
- Intrusion Detection System (IDS) monitoring per AR 190-13
- OPSEC, COMSEC, PERSEC, and insider threat advisory
- HSPD-12 compliance and CVAMP execution
- NISP compliance across global locations

ADMINISTRATIVE & HUMAN RESOURCES SUPPORT (S1)

- Full-spectrum S1 support: awards, evaluations, promotions, leave/passes, reassignments, and Soldier financial readiness
- IPPS-A processing for personnel actions, finance, and strength management
- Daily accountability and personnel movements of assigned military, civilian, and contractor personnel
- iPERMS records updates and document management
- Brigade-level correspondence management (75-120 actions, 80-140 awards, 35-65 memorandums processed semi-weekly)
- Assignment and movement management for 400+ personnel
- PCS, ETS, and retirement order coordination with installation personnel offices
- Gains/loss roster management, PERSTAT reporting, and manning cycle evaluation
- Action Routing Dashboard development and SharePoint automation
- VIP escort, supply procurement, and office management

OUR CUSTOMERS

PERFORMANCE HIGHLIGHTS

Rare Performance

116th MIB / PED BN S1 leadership recognized the Tactica PED BN S1 team for a rare 100% commendable inspection performance, citing exceptional results across AWOL/DFR, special pay, BAS recoup, leave, MILPAY, reassignments, and PAI.

PED BN and Brigade leadership praised the Tactica S1 team by name for setting best practices and helping achieve 100% commendable results, noting that such performance is rare for the inspection type.

Exceptional Support

706th MI Group SSO / 782nd MI BN commended a Tactica security professional for exceptional support with locks and safes, highlighting professionalism, knowledge-sharing, and above-and-beyond assistance that helped the customer team meet its deadline.

PAST PERFORMANCE

SECURITY & ADMINISTRATIVE SUPPORT

CUSTOMER	JOB	OUR ROLE	OUR RESULTS
CCoE and 116th MIB	Security Operations Support	▸ TS/SCI security operations support ▸ Clearance tracking and incident reporting ▸ SSO coordination, access control, and indoctrinations ▸ Compliance support across secure facilities	✓ Multiple SCIFs supported and accredited ✓ High-volume access and visitor actions managed ✓ COMSEC Management support
116th MIB & 513th MIB	Security & Admin Support (under 116th AISR SETA)	▸ 24/7 multi-SCIF security operations ▸ SCI indoctrinations, debriefings, and IC badge management ▸ SSO/MEAD support and clearance tracking (DISS/Scattered Castles) ▸ Full-spectrum S1/HR support and IPPS-A personnel actions ▸ Augmented Brigade headquarters staff by providing administrative and mission support personnel across S1 (Personnel), S2 (Security), S3 (Operations), and S4 (Logistics) functions.	✓ 133+ group SCI indoctrination briefings for 1,800+ personnel at 116th MIB ✓ 900+ SCI indoctrinations/debriefs annually (116th & 513th combined) ✓ 1,800+ IC badges managed; 1,150+ visitor actions/year ✓ SSO/MEAD support for 400 in-access personnel at 95%+ mission readiness ✓ 200+ monthly finance actions processed for the PED BN
USASMDC G4	Security Support (under RISE SETA TO1)	▸ NISP compliance management ▸ Physical, personnel, information, and industrial security ▸ Secure handling of contract data ▸ OPSEC and security documentation	✓ NISP compliance maintained across all USASMDC locations ✓ Secure handling of contract data across 6+ global sites
PD SAI / CPE ISW	Facility Security (under PD SAI SETA)	▸ Security advisory on OPSEC, COMSEC, PERSEC, and insider threat ▸ SCI program support as CSSO/ CSSR ▸ HSPD-12 compliance ▸ CVAMP execution	✓ Served as program security advisor across the enterprise ✓ CSSO/CSSR SCI program support delivered ✓ HSPD-12 compliance maintained and CVAMP executed

CAPABILITIES BRIEF

REAL PROPERTY

Tactica Solutions delivers geospatial, CADD/GIS, and real property data management services enabling Army and DoD-wide installation planning, asset accountability, and enterprise-level decision-making.

OUR SERVICES

CADD/GIS ADMIN SUPPORT

- MicroStation, AutoCAD, and ArcGIS systems administration
- Construction document delivery and engineering drawing support
- Hardware/software troubleshooting for CADD/GIS platforms
- End-user training and technical support
- Lifecycle replacement scheduling and equipment inventory management

ePRISMS & REAL PROPERTY DATA

- Enterprise Proactive Real Property Interactive Space Management System (ePRISMS)
- Floor plan data collection, validation, and database population
- Space & Manpower (SMP) data surveys
- As-built information development for new and existing facilities
- Compliance with Army IGI&S Quality Assurance Plan standards

GEOSPATIAL SUPPORT (DISDI PROGRAM)

- Common Installation Picture (CIP) layer updates for all DoD components
- Geospatial analysis producing mapbooks, analytical visuals, and datasets
- Data updates to NGA GVS, DISDI Portal, NORTHCOM, and TRANSCOM
- Imagery availability assessment across federal sources
- Monitoring NGA's 133 Urban Areas imagery program
- OPSEC-compliant data handling to DoD standards

REAL PROPERTY ASSET VALIDATION

- Facility and asset data reconciliation across Army systems (GFEBS, ePRISMS)
- Identified 69 missing assets valued at $35M in annual sustainment within a 4-month period
- 292 missing assets identified in last fiscal year
- Comprehensive CFOA & FIAR Audit Readiness
- Expert GFEBS Sync and Data integrity/System Compliance
- Accurate field verification and assessment of facilities, utilities, and mission-critical infrastructure

OUR CUSTOMERS

PERFORMANCE HIGHLIGHTS

Customer Kudos – Fire Prevention Support

Fort Stewart Fire Emergency Services commended Tactica's Planning and Engineering Division for outstanding collaboration, promptness, and professionalism in developing a new geospatial inspection map that improved monthly and annual fire prevention inspections, enhanced operational efficiency, and strengthened installation safety preparedness.

Sustained DPW Mission Support

Earned a Very Good Management rating while continuing uninterrupted support to the Directorate of Public Works – Engineering Branch during the Government shutdown.

Recommended for Similar Work

A Government performance assessment recommended Tactica for similar requirements based on demonstrated ability to perform against the contract's most significant requirements.

PAST PERFORMANCE

REAL PROPERTY

CUSTOMER	JOB	OUR ROLE	OUR RESULTS
Fort Stewart DPW	CADD/ GIS Admin Support	▸ MicroStation, AutoCAD, and ArcGIS systems administration ▸ Construction document delivery and engineering drawing support ▸ CADD/GIS hardware/software troubleshooting ▸ End-user training and equipment lifecycle management	✓ Zero deviation from performance standards ✓ Timely delivery of construction documents ✓ Minimal equipment downtime
Army Corps of Engineers (Fort Drum)	ePRISMS Sustainment Update	▸ Floor plan data collection, validation, and database population ▸ Space & Manpower (SMP) data surveys ▸ As-built information development ▸ Army IGI&S QA Plan compliance	✓ Floor plan validation and SMP data collection across millions of sq. ft. at Fort Drum ✓ Sustainment support across 7 utility systems ✓ As-built drawing maintenance for 1,200 facilities
OSD Washington HQ Services	DISDI Program Support	▸ Common Installation Picture (CIP) layer updates for all DoD components ▸ Geospatial analysis (mapbooks, analytical visuals, datasets) ▸ Data updates to NGA GVS, DISDI Portal, NORTHCOM, TRANSCOM ▸ Imagery availability assessment and OPSEC-compliant handling	✓ Enterprise geospatial products supporting OSD decision-making ✓ CIP layer updates for all DoD components ✓ Monitoring of NGA's 133 Urban Areas imagery program
Picatinny Arsenal	Digital Asset Filing	▸ Digital asset management and filing ▸ Engineering drawing and document organization ▸ Records digitization support	✓ Digital asset management and filing support delivered
Fort Meade	ePRISMS	▸ ePRISMS data collection and validation ▸ Floor plan data population ▸ Space & Manpower data surveys ▸ Facility 2D floorplan creation via LiDAR	✓ ePRISMS data collection and validation completed ✓ Data development spanning 20M+ sq. ft. with 1,000 facility asset verifications

Past Performance represents a sampling of relevant contracts.

CAPABILITIES BRIEF

ENGINEERING

Tactica Solutions delivers comprehensive Systems Engineering and Technical Assistance (SETA) in support of U.S. Army global operations.

OUR SERVICES

FACILITIES ENGINEERING & CONSTRUCTION

- Engineering studies, concept analysis, and master planning
- Construction planning and management (minor and major)
- Feasibility studies, site surveys, constructability reviews, cost analyses
- DD Form 1391 development and project programming
- Design and construction document review
- Installation management and real estate support
- GFEBS validation and reconciliation of real property
- ePRISMS data collection and development

ENVIRONMENTAL PLANNING & COMPLIANCE

- NEPA documentation (DOPAA, EA, EIS)
- Environmental investigations, remediation, and contamination cleanup
- Installation Restoration Program and Compliance Cleanup Program
- Military Munitions Response Program support
- U.S. Army Reactor Program compliance (AR 50-7)
- Hazardous waste minimization and net zero energy management
- Climate change mitigation and energy resilience planning (Army Climate Strategy)
- Facility siting surveys and environmental inspections

BUSINESS OPERATIONS

- Contract lifecycle management (award through closeout)
- Market research, IGEs, and requirement package preparation
- Financial management via GFEBS (invoicing, budget execution, POM inputs)
- Program integration and acquisition strategy support

MEC-MPPEH OPERATIONS

- Munitions and Explosives of Concern clearance and assessment
- Material Potentially Presenting an Explosive Hazard operations

FACILITY OPERATIONS & SUPPORT

- Building management and daily facility operations across geographically dispersed locations
- Custodial, grounds maintenance, snow removal, and other installation support services
- Secure-facility access coordination, contractor escorts, and tenant support
- Conference room, audiovisual, communications, and facility infrastructure upgrades
- Support for leadership priorities, ceremonies, distinguished visitors, and mission-driven facility requirements

OUR CUSTOMERS

PERFORMANCE HIGHLIGHTS

Exceeded Performance

Tactica exceeded schedule requirements across all task orders, achieved 100% invoice acceptance, sustained execution with no mission degradation during remote work conditions, and delivered compliant, audit-ready engineering and environmental support across dispersed mission locations.

Recommended for Similar Work

A Government performance assessment recommended Tactica for similar mission requirements based on demonstrated ability to meet the contract's most significant engineering, compliance, cost control, staffing, and operational objectives.

40+ Facilities Supported

Tactica provides facility operations and building-management support for more than 40 facilities across Alabama, Colorado, and Alaska, coordinating tenant requirements, DPW services, secure access, maintenance, and mission-priority upgrades.

PAST PERFORMANCE

ENGINEERING

CUSTOMER	JOB	OUR ROLE	OUR RESULTS
USASMDC G4	RISE SETA TO1	▸ Engineering studies, master planning, and construction management ▸ Environmental planning and NEPA compliance (DOPAA, EA, EIS) ▸ GFEBS/ePRISMS real property validation and reconciliation ▸ Business operations, IGEs, and acquisition strategy support	✓ Full-spectrum facilities engineering, environmental compliance, and business operations across global USASMDC locations ✓ $149.4M IDIQ ceiling; nearly 100% incumbent personnel retained during transition ✓ Identified 69 missing real property assets ($35M annual sustainment value) in 4 months ✓ 292 missing assets discovered in the last fiscal year
USASMDC (USAG-KA)	RISE SETA TO3 MEC-MPPEH	▸ Munitions and Explosives of Concern (MEC) clearance and assessment ▸ Material Potentially Presenting an Explosive Hazard (MPPEH) operations ▸ Explosives safety and site clearance support	✓ Enhanced safety and mission access through munitions and explosives of concern clearance ✓ Executed multifunctional MEC-MPPEH ops., ensuring timely assessments, anomaly avoidance, construction support, response, management, and demolition. ✓ Completed pre- and post-clearance boundary surveys and established durable field markings ensuring clearance limits were accurately documented and visible to USAG-KA and construction personnel. ✓ Conducted site assessments and pre-clearance coordination, validating technical approaches, schedules, safety reqs., comms., and operational constraints prior to MEC-MPPEH operations.

Past Performance represents a sampling of relevant contracts.
